Re: Transportation DSS & Senior Services for FY 2021-2022

Two proposals were received in response to an RFP for DSS and Senior Services transportation for the fiscal year 2021-2022 along with a renewal request from YVEDDI. Attached are the proposed pricing for transportation per department. After speaking with Stacy Elmes, DSS Director and Vicky East, Senior Services Director we would like to contract with all three vendors for the fiscal year 2021-2022. YVEDDI will continue to be Stokes Counties primary transportation vendor and no miles will be guaranteed to any vendor. This will give each department transportation options when one vendor is unavailable.

**YVEDDI:**
