STAFF COMMENTS: The rezoning request comes to the Board as a conditional zoning request to rezone the property to RA-CZ (Residential Agricultural Conditional Zone); you may discuss the site plan in specific terms. The property which is currently vacant of any structures and is surrounded by residential and vacant land. The applicants request to rezone a portion of their property back to a RA (Residential Agricultural) zoning classification from H-B-CU (Highway Business Conditional Use) which was approved in 2011 for the purpose of constructing a 30ft. x 60ft. building for a Retail Sales, Services / Service Garage for the applicants garbage service. Proposed Amendment:

Rezone 1.581 acres from H-B-CU to RA-CZ for a

"Single Family Dwelling".

The Stokes County 2035 Comprehensive Plan identifies portions of the county through the Land Use Transect methodology which shows transition zones between rural areas and more urbanized areas of the county. The proposed rezoning is best described in the transect zone identified as Growth Sector (O-2). This is an area associated with an Open Space 2 Rural Community area. The proposed development is for a 1- lot Residential Subdivision that would be consistent with the surrounding residential development in the area and the (O-2) Open Space 2 Rural Community area identified in the comprehensive plan. The Open Space 2 Rural Growth area is identified as an area with very limited or no water or sewer infrastructure.

This proposed amendment <u>is consistent</u> with the Stokes County 2035 Comprehensive Plan and other adopted plans in that: The parcel is currently zoned H-B-CU (Highway Business Conditional Use) and the requested zoning district is RA-CZ (Residential Agricultural Conditional Zone). The proposed use of this property and site development plan is consistent with the Open Space 2 Rural Community area development as identified in the Stokes County 2035 Comprehensive Plan and is consistent with the surrounding neighborhood residential property development along Young Rd.

This proposed amendment is reasonable and in the public interest in that: This property is currently zoned H-B-CU (Highway Business Conditional Use) and is being proposed to be rezoned to RA-CZ (Residential Agricultural Conditional Zone) for the purpose of locating a single family dwelling on one (1) lot.

PLANNING BOARD RECOMMENDATION: The Planning Board voted unanimously to recommend approval of rezoning request #19-1579 to rezone approximately 1.581 acres from H-B-CU to RA-CZ for a single family dwelling. They felt the proposal was consistent with the Stokes County 2035 Comprehensive Plan and was a reasonable request.

Commissioner Morris motioned to approve the request to rezone approximately 1.581 acres from H-B-CU (Highway Business Conditional Use) for "Retail Sales, Services / Service Garage for garbage service to RA-CZ (Residential Agricultural Conditional Zone) for a single family dwelling as presented and noted that this was a reasonable request and was consistent with the Stokes County 2035 Comprehensive Plan.

Commissioner Morris seconded.

Chairman Nickelston opened the floor for any discussion/questions/comments.

With no further discussion the request was approved with a 3-0 vote.

LifeBrite Hospital - Resolution

Contact: Pam Tillman

Summary:

A request was received from Pam Tillman to approve the enclosed resolution. The purpose of the resolution is to show the County Commissioners' support for having Cigna Insurance include our hospital in their network. Cigna has not given a specific reason for their actions other than saying it's a "business decision". This resolution is not complicated by litigation as is the case with the Blue Cross Blue Shield situation. Hopefully a resolution of support will encourage Cigna to relook their decision, which is negatively impacting the hospital and the patients that need the local services from the hospital.

This was presented to the Board at the meeting on January 27th and placed back onto the Discussion Agenda due to Chairman Nickelston being absent at the last meeting.

STATE OF NORTH CAROLINA

COUNTY OF STOKES

RESOLUTION ENCOURAGING CIGNA HEALTH INSURANCE COMPANY TO PLACE LIFEBRITE COMMUNITY HOSPITAL OF STOKES IN-NETWORK FOR HOSPITAL SERVICES

WHEREAS, LifeBrite Hospital Group of Stokes, LLC d/b/a LifeBrite Community Hospital of Stokes ("LifeBrite") operates a 25 bed critical access hospital in Danbury, Stokes County, North Carolina (the "Hospital"); and

WHEREAS, Cigna Health Insurance Company ("Cigna") and LifeBrite were parties to a Network Participation Agreement up until November 1, 2018 when Cigna terminated the Network Participation Agreement; and

WHEREAS, a significant number of Stokes County residents are insured by Cigna, and utilized the Hospital the Hospital for medical care prior to the termination of the Network Participation Agreement; and

WHEREAS, because LifeBrite is now out-of-network; Stokes County residents with Cigna insurance, in order to receive lower cost medical care, are now forced to drive as much as forty-five (45) minutes to receive health care that is otherwise available in Danbury; and,

WHEREAS, many Stokes County residents are elderly and on a fixed income, and are unable to afford the higher cost of medical care at the Hospital in Danbury by reason of LifeBrite being out of the Cigna network; and

WHEREAS, Cigna's refusal to sign a provider agreement with LifeBrite has caused a hardship to many of the residents of Stokes County; and threatens the viability of the small rural hospital in Stokes County, which is a valuable resource to the citizens of Stokes County.

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of Stokes County supports LifeBrite in the continued operation of the hospital in Stokes County, in providing quality health care to the residents of Stokes County at the lowest possible cost; and

Cardinal Innovations Healthcare is excited to announce the launch of a new, more responsive, and solution-focused community governance structure. Regional Health Councils (RHC) will bring together members, families, stakeholders, and providers to collectively identify challenges and priorities, share best practices, and create positive change in their area. They are designed to receive the feedback and data from the local communities in order to establish goals that will benefit the community.

THE GOVERNANCE MODEL WILL BE ALIGNED TO FOUR REGIONS COMPRISED OF FIVE COUNTIES EACH.

SOUTHERN REGION HEALTH COUNCIL REPRESENTS:

Cabarrus County Mecklenburg County Rowan County Stanly County Union County

TRIAD REGION HEALTH COUNCIL REPRESENTS:

Forsyth County
Davidson County
Davie County
Rockingham County
Stokes County

CENTRAL REGION HEALTH COUNCIL REPRESENTS:

Alamance County

Chatham County
Orange County

The Regional Health Councils use formal and informal data from each of the counties they represent to determine and prioritize areas of need and focus for each year. These areas of need are addressed in a Regional Health Improvement Plan (RHIP), which will include specific goals for the local counties to complete. Each Regional Health Council is supported by the Provider Partners Council, a regional Operations Council, and a Community Advisory Council (CAC) from each county.

HOW TO GET INVOLVED

APPLICATIONS ARE CURRENTLY
BEING ACCEPTED FOR THE
REGIONAL HEALTH COUNCILS AND
COMMUNITY ADVISORY COUNCILS.

Each Regional Health Council will bring together people from the five (5) counties to discuss and prioritize the needs of those areas, develop a Regional Health Improvement Plan (RHIP), and oversee implementation of the plan. The RHC will meet quarterly. Members will be selected by the Cardinal Innovations Healthcare Board of Directors during the December 2019 Board Meeting. People wishing to

join the RHC can fill out an application via www.cardinalinnovations.org/regional-health-councils. Applications are due no later than Sunday, November 24.

There will be one (1) Community
Advisory Council (CAC) in each county
of the Cardinal Innovations Healthcare
catchment. The CAC will serve as an
avenue for individuals in the community
(members, families, providers, and
stakeholders) to present the needs of the
community to the Regional Health Councils.
Additionally, the CAC will be tasked with
completing the goals of the RHIP on the
local level. The CAC will meet eight (8)

times a year. Voting members will be selected by the County Commissioners for each county. People wishing to join the CAC can fill out an application here www. cardinalinnovations.org/regional-health-councils. Applications are due no later than Sunday, November 24.
